CLOSE TO OUR CLIENTS

More than ever, competitiveness is achieved through attracting and retaining talents wherever they are. Our 30 consulting agencies are located all over France and throughout the world (Europe, Asia, Middle East, America).

No matter the economic region he/she is focusing on, every RH Partners consultant has a strong experience and is specialised in a particular domain; Our people master the tools and skills to enhance and develop the HR dimension within your company.

INTIMATE KNOWLEDGE OF YOUR HR ISSUES

Since its creation, RH Partners has been building its expertise industry by industry.

As a result, the Group has developed a real proficiency in managing issues specifically related to each industry domain. It has since been implementing solutions adapted to the needs of its clients: small and medium-sized companies as well as large & global corporations.

**SPECIALIST
IN LARGE PROGRAMMES**

Recruiting 500 people in 3 months, sub-contracting the totality of recruitment operations (from needs analysis to measuring integration in the new position), ensuring the human aspect of industrial site redeployment, help finding solutions to spouses whose lives and careers may have heavily been impacted by the relocation of executives ... To accomplish this, RH Partners mobilizes the innovative means of a Group which has constantly been regarded as flexible, adaptable and focused on client satisfaction.

TECHNOLOGICAL EXPERTISE

RH Partners has always been investing and using the best technology through systems that maximize knowledge management, retention and re-use : Candidate database, assessment & development tools, regional and local salary grids, expert systems to facilitate selection followed by integration evaluations...
