CHRISTIE'S

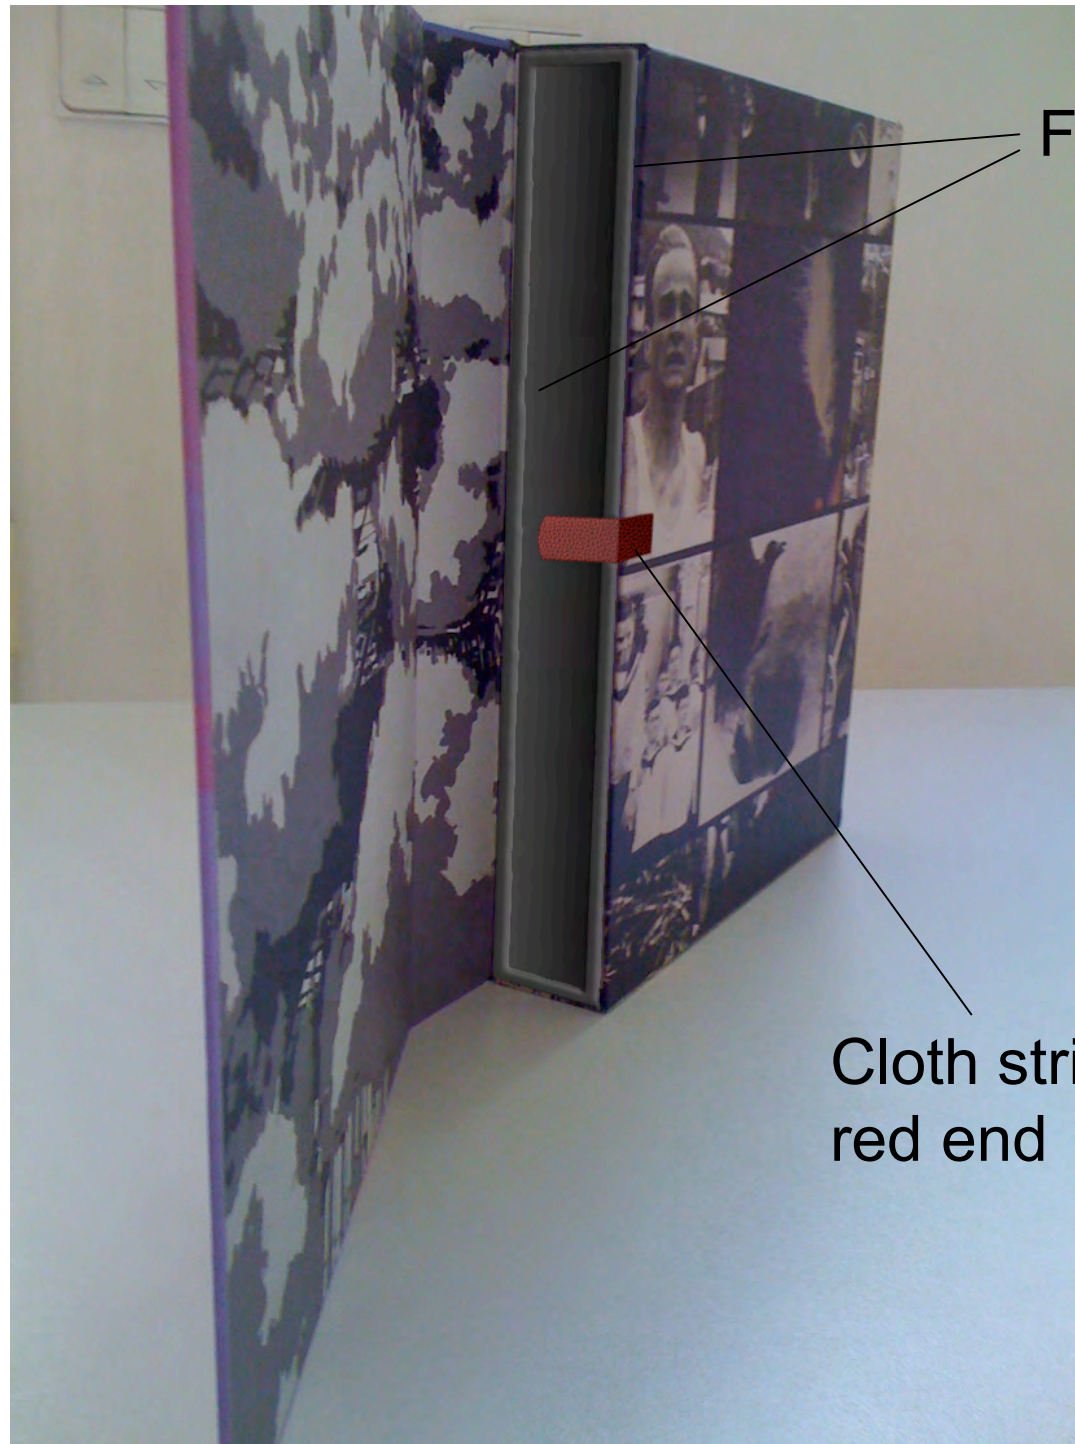

Cardboard box

Four-colour printing on both sides, very resistant and waterproof cardboard

Thickness of the box 35mm

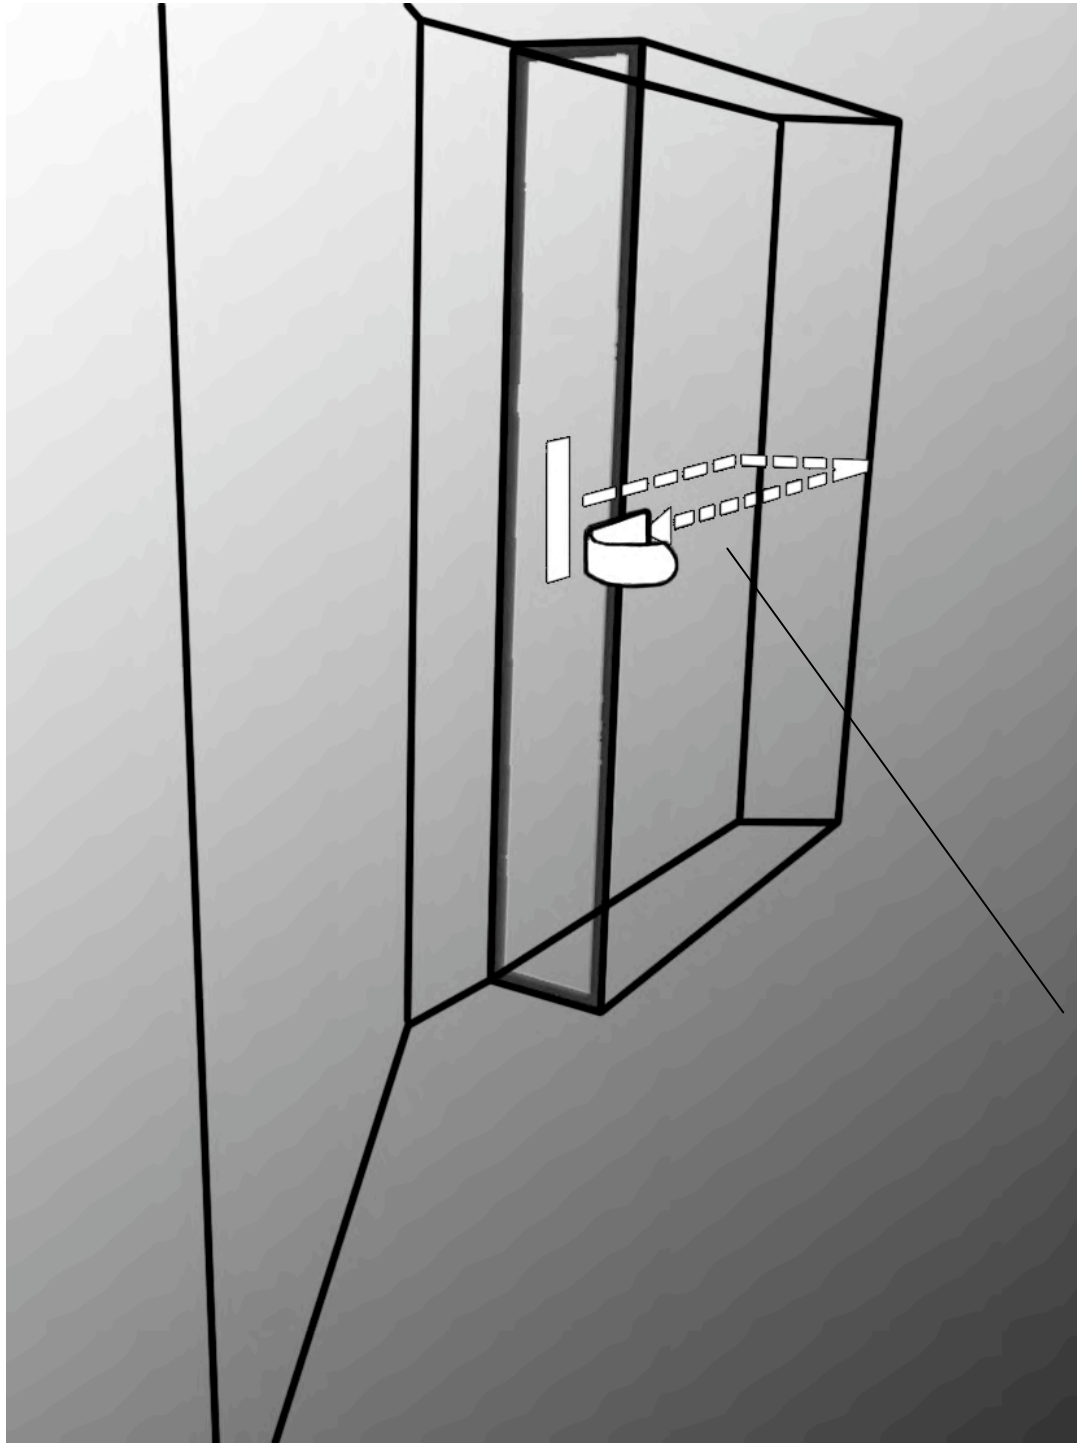

Foam (5mm)

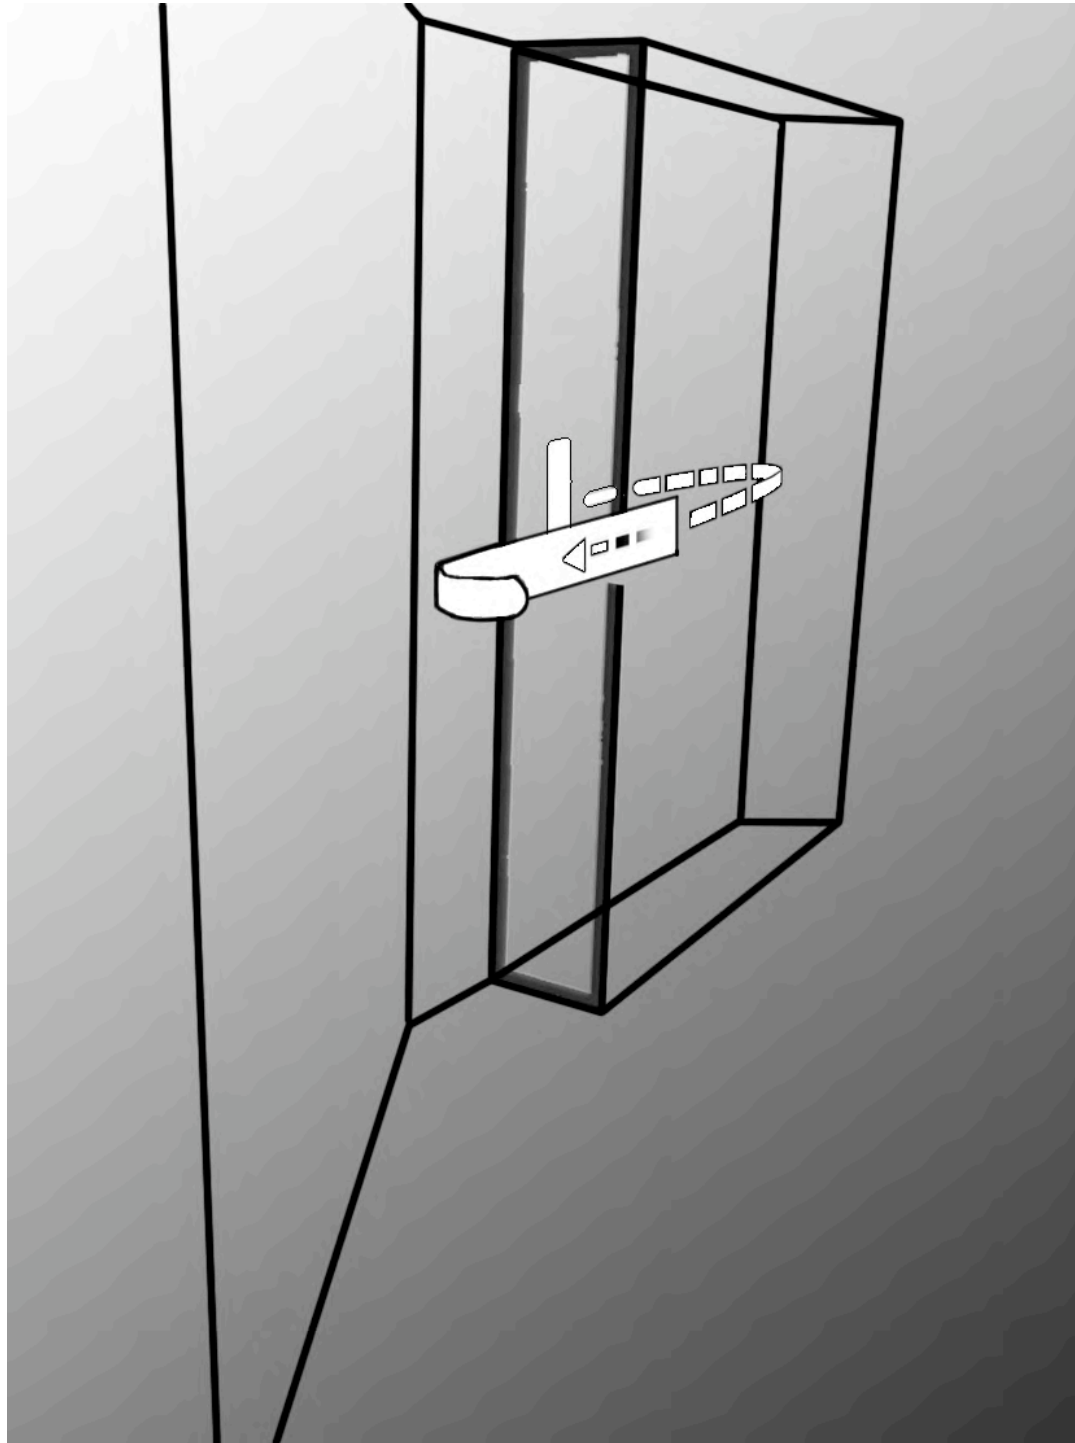

**Option 1**

**Model  
without the  
book inside**

Cloth strip with  
red end

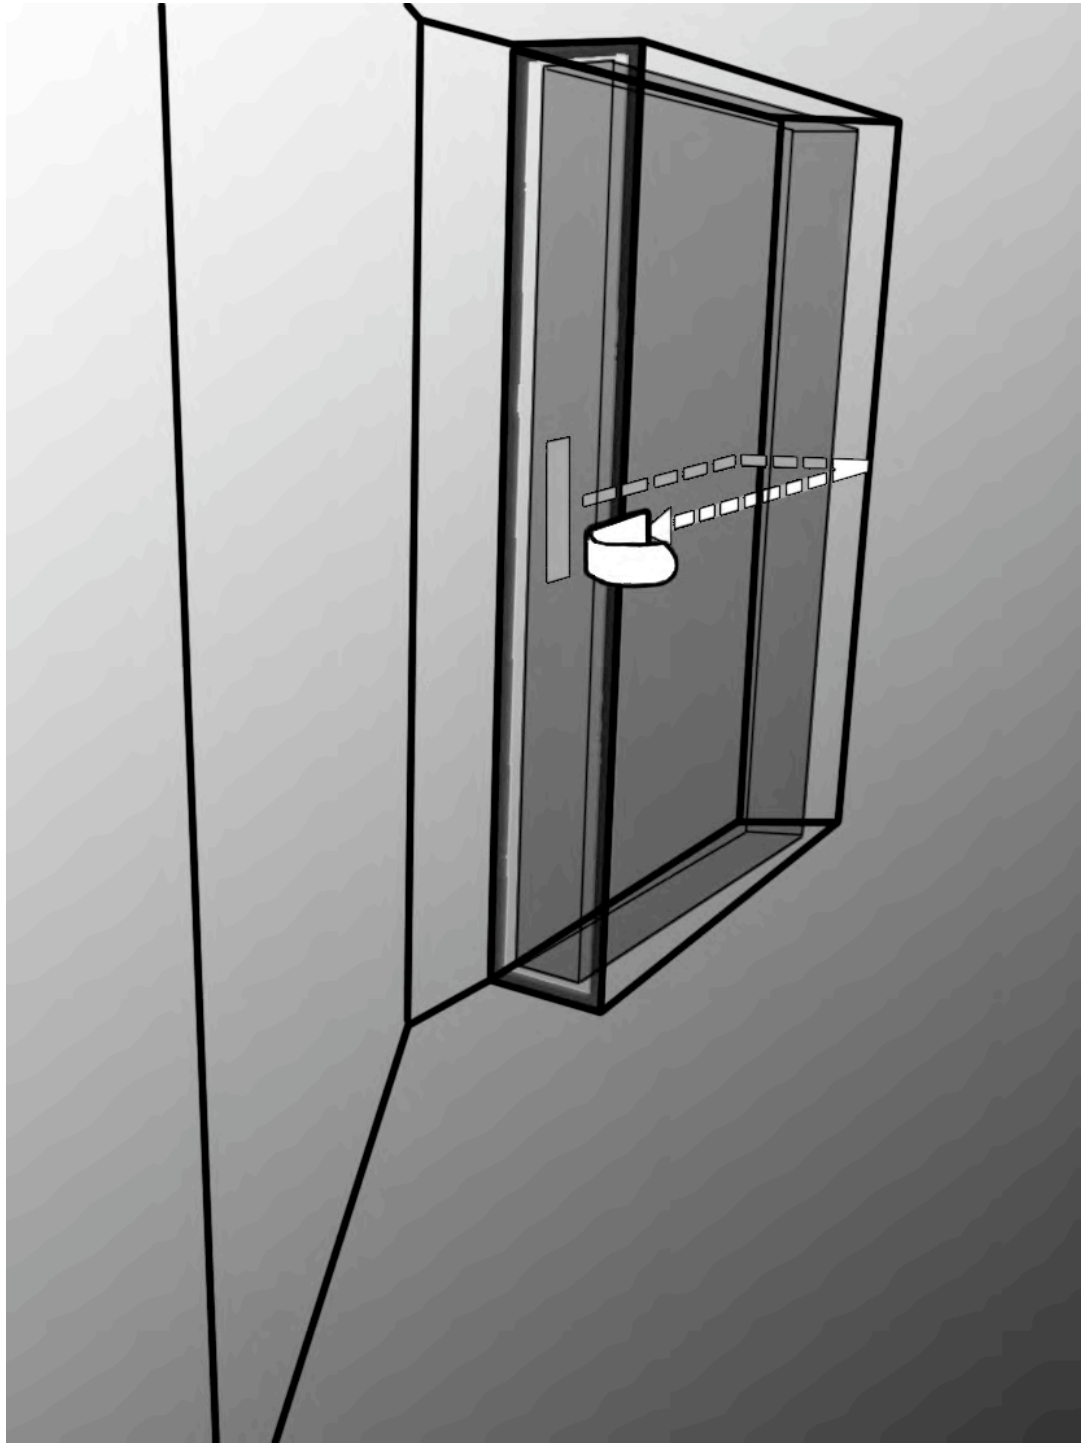

Cloth strip with  
red end

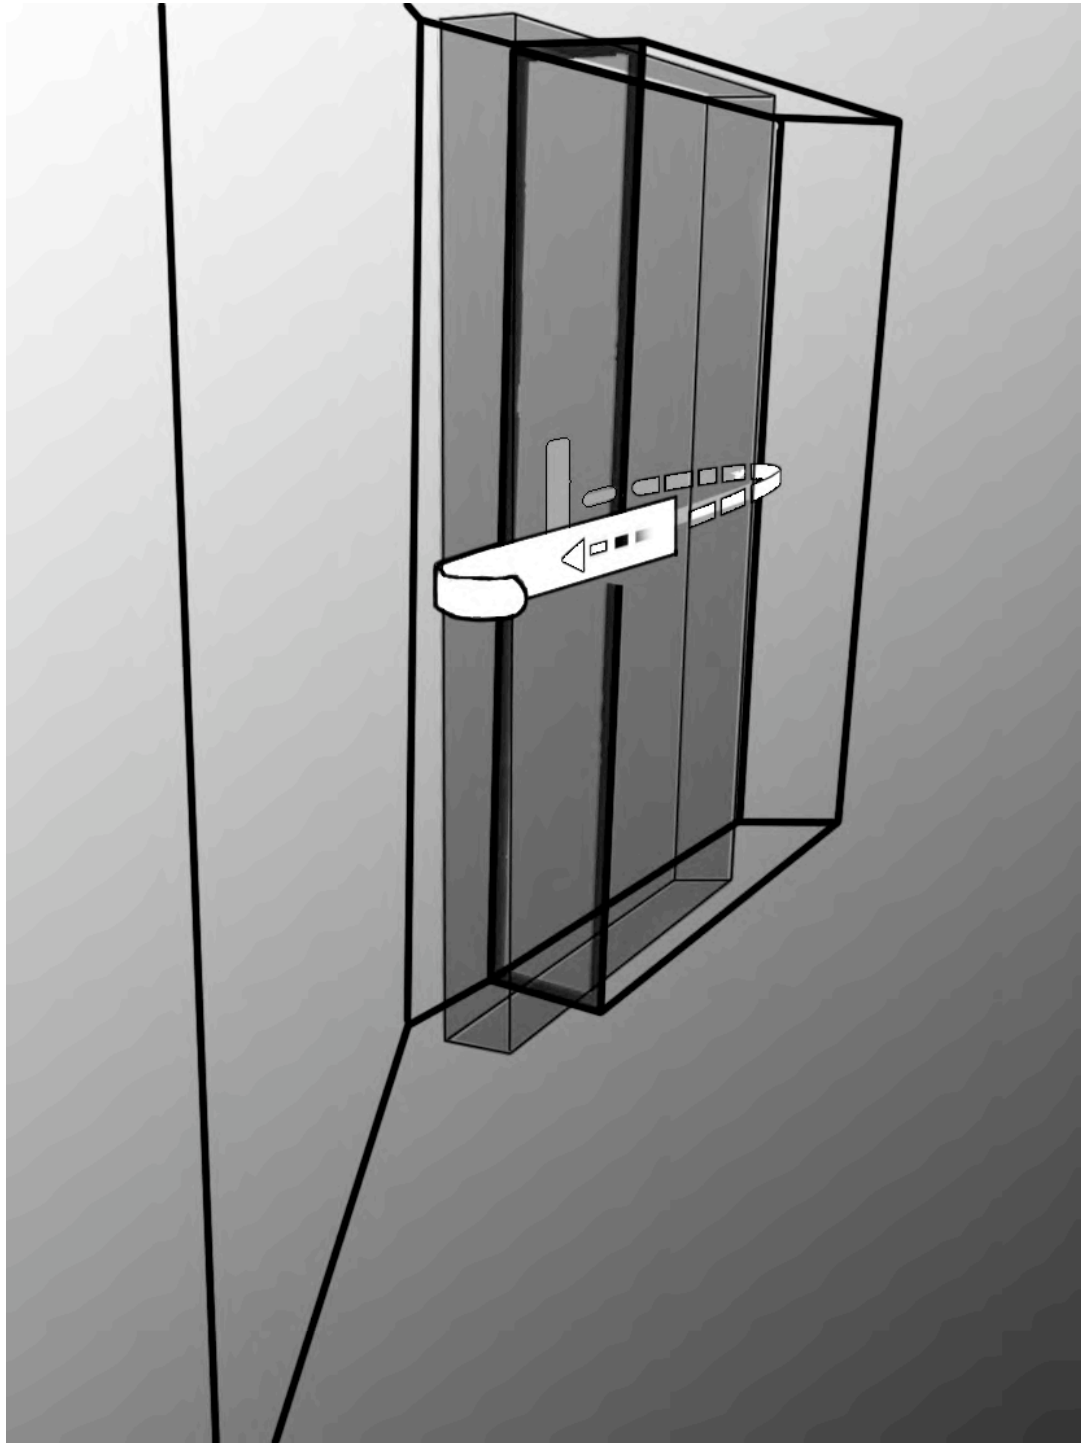

Model with  
the book  
inside

For your  
information :  
weight of the  
book inside :  
2 kg to 2,5kg

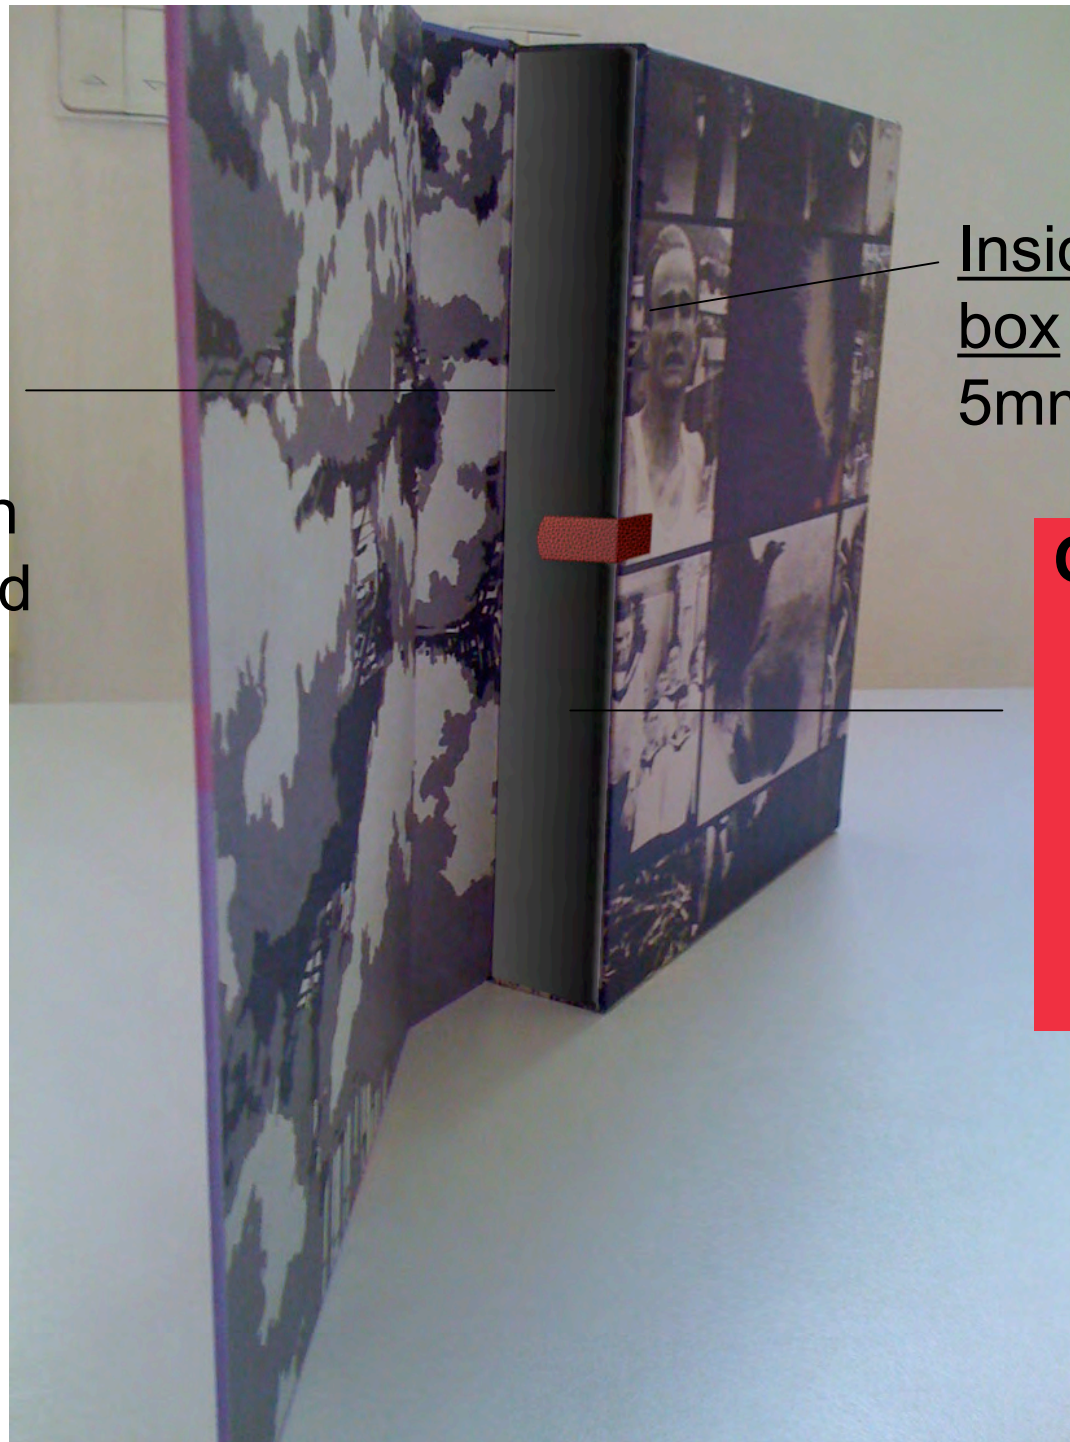

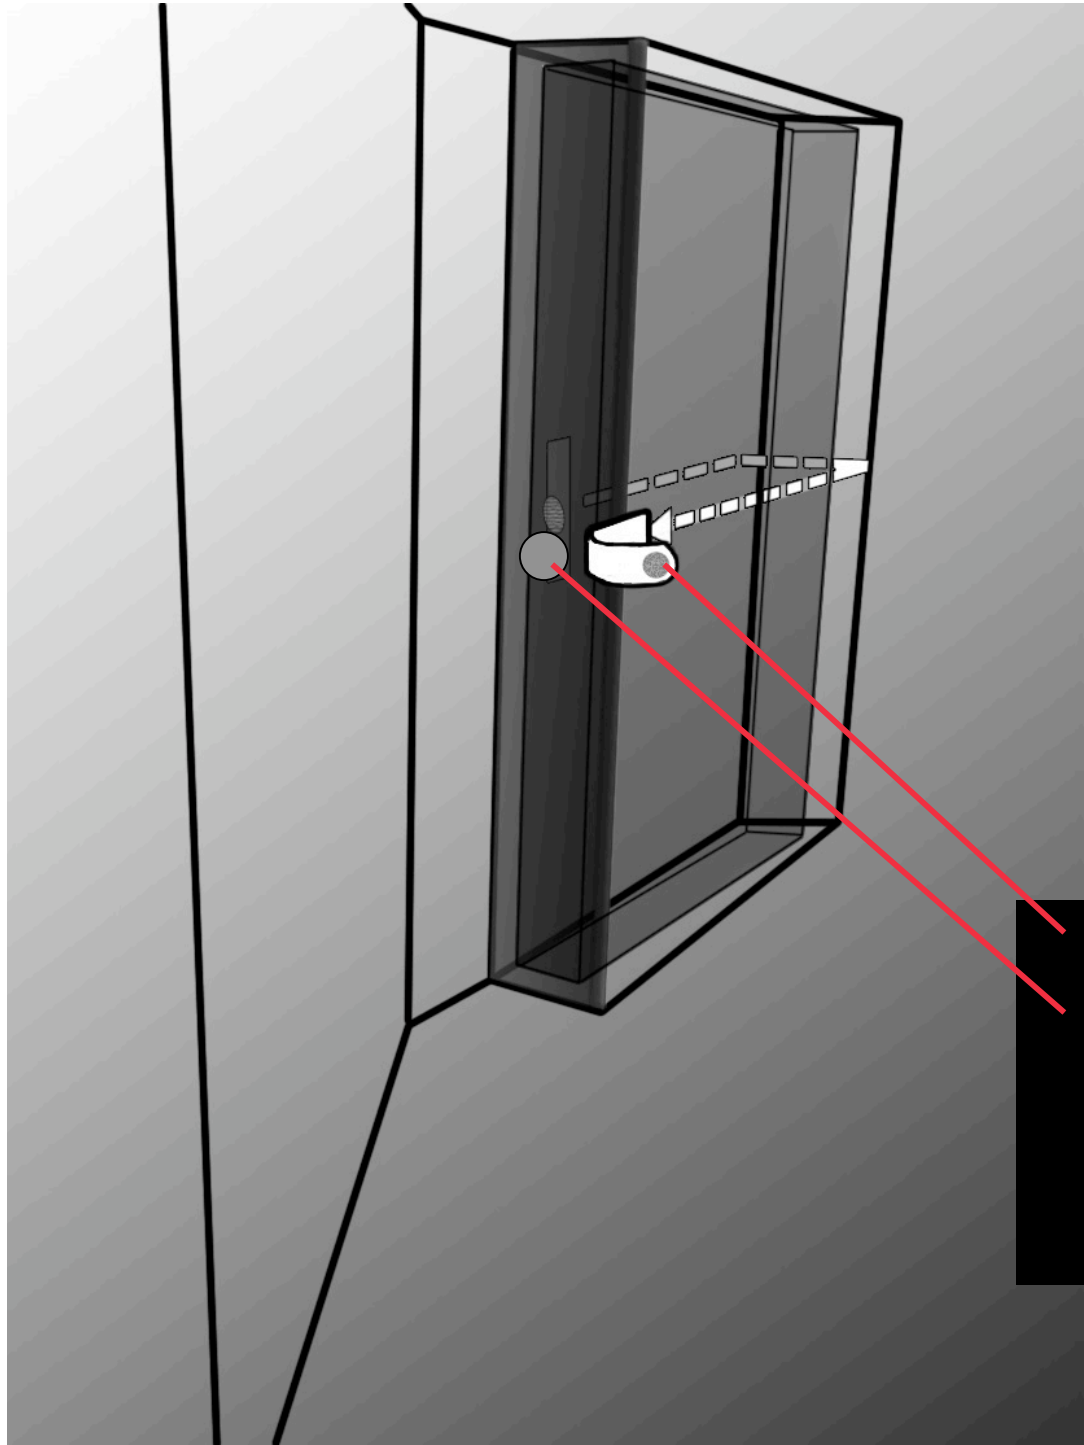

Steely grey cardboard valve (it can be open and close)

Inside of the box in foam 5mm

## Option 2

**A valve to close the inside box**

When one pulls the strip, the object opens the valve

Under the cloth strip, a velcro sticks itself to the valve to ensure a reliable and complete closure.

The object  
inside  
goes out of  
the box
